

Request Esri Web Courses

As a faculty member, student, or other employee at the University of Redlands, you are entitled to a vast array of GIS training classes at no charge provided by [Esri](#) (the Redlands-based company behind ArcGIS). Specifically, you may access any of the web courses in Esri's Training Catalog. [Click here to see a full list of these courses.](#)

To access these courses, you must first have an [ArcGIS Online account](#)

Getting Started With GIS

Once you have an account, you can take the following free courses offered by Esri. You do not need to request these courses from us. These basic courses are appropriate if you have little to no experience with GIS.

[Getting Started with GIS](#)

[Basics of Geographic Coordinate Systems](#)

After taking these courses, move on to the more advanced ones listed below. To take these courses, you need to request access from us at spatialstudies@redlands.edu.

[Solving Spatial Problems Using ArcGIS](#)

[Creating and Sharing GIS Content Using ArcGIS Online](#)

[Finding Geographic Data in ArcGIS](#)

[The 15-Minute Map: Creating a Basic Map in ArcMap](#)

[Getting Started with the Geodatabase](#)

[Basics of Map Projections](#)
